**Re: *Ligon v. City of New York*, No. 12 Civ. 2274 (AT)(HBP)**

Dear Judge Torres:

On behalf of the plaintiffs in this matter, which challenges stop, frisk, summons, and arrest activity connected to the NYPD's Trespass Affidavit Program (TAP), we write in response to the recommendations the Monitor submitted on Friday, August 7, 2015, concerning sections 212-11 and 203-25 of the NYPD Patrol Guide. We believe that the recommended materials reflect significant improvements over the prior versions of these policies, and we are not filing any objection to the materials. That said, we share the *Floyd* plaintiffs' interest, indicated in their letter submitted to the Court on Friday, in developing the receipt that will be provided following stops and addressing the lack of documentation of Level 1 and Level 2 encounters. We expect to address these concerns with the Monitor and the City of New York, and are hopeful that we can develop solutions that are agreeable to all parties.

Thank you for your consideration of this letter.

Sincerely,
